

BIBLICAL DOCTRINES – CORNERSTONE OF TRUTH

Course Description:

As you have probably discovered, the teachings in the Bible are not presented according to topics. For example, the book of Genesis does not give us a complete explanation of the Godhead, nor does any other single book. An important way to study the Bible is to find all the teachings related to a certain topic. This course will follow this kind of systematic study to see what the Scriptures teach about the universe and its Ruler, about humankind and the structure God has chosen for human development. Students will also discover what the Bible has to say about the future.
