

FOUNDATIONS FOR BIBLICAL TEACHING – THE TEACHING MINISTRY

Course Description:

Teaching is like throwing a small rock in a pool of water. As we teach and our students in turn teach others, the results are like ripples of water, reaching out to the world around us. This course will help illustrate how to have a teaching ministry that is both productive and rewarding. Jesus commissioned his followers to "...teach all nations... teaching them to obey and to observe all things whatsoever I have commanded..." This is the mandate that must be carried out by the church. Available in print.
